The Auckland City FC (ACFC) Academy provides all players, male and female, with a comprehensive pathway from grassroots to senior football. We have a firm belief in developing players for long-term participation in football, no matter what level they aspire to, as well as creating good people.

We are currently seeking junior and youth coaches to join our team part-time for the upcoming winter season for a variety of roles, including:

- U17 AFF/NFF Conference Team – Head Coach
- U17 Girls School Team – 1<sup>st</sup> XI Assistant Coach and Development Coach
- U14 Girls – Development Coach
- U12 Girls – Skills Coach
- U12 Boys – Skills Coach

Guided by the highly experienced team of Jose Figueira, Ivan Vicelich and Nic Downes, coaches will be exposed to the ACFC playing and coaching philosophies as they work with other like-minded coaches in a positive environment to inspire players to learn, develop and express themselves on the field.

Candidates must be based in New Zealand.
